## Attendance Policy

Attendance is reported on a weekly basis. Attendance is defined as submission of any assignment or discussion board posting. A student is considered absent if he/she does not attend at least once during any seminar week. The student will be administratively withdrawn for excessive absenteeism if any of the following criteria are met:

1. The student is absent for the first week of the course.
2. The student is absent for two consecutive weeks.
3. The student is absent for more than 33% of the course.

Additionally, if an instructor thinks that a student’s absences have been excessive and unjustified, the instructor may request that the student be withdrawn from the course.

## ***Participation Policy***

Each student is expected to participate in the virtual classroom five days during each seminar week. Baker College strongly encourages students to participate on a daily basis during the course.

Participation is measured on the student's interaction and contribution with the course and other students as demonstrated through active involvement on the virtual classroom discussion board. A student's contribution must add value to the course. A discussion board posting is determined to be of substance by containing information that supplements, contradicts, questions, or furthers discussion on a subject area contained in the course. Additionally, it is expected that student participation reflects critical thinking and good grammar.
